## Veteran Collector May Run Again '64

Stetson O. Sproul, veteran Palm Beach county tax collector, in an interview published in the Palm Beach Post, intimated that he may run for re-election again next spring in the Democratic primary election and in the November general election. The story, of interest to Mr. Sproul's hundreds of friends in the Glades, is being reprinted from the Post. It appears below:

"Stetson O. Sproul said Tuesday he will probably offer himself next year for an eighth four-year term as Palm Beach County tax collector."

"In an interview he said, 'My health is so much improved over last year that I might offer myself for one more term.'"

"This was a reference to an illness early in 1962 which hospitalized him for the second time in four years. Last year there had been growing reports that the veteran Courthouse official would retire at the end of his present term."

"Sproul was born at DeLand, Volusia County, in 1898, and has been a resident here since 1900. He graduated from Palm Beach High School in 1913 and after first working for local banks plus a one-year trial stay in California, he was given a clerical post in the county tax collector's office."

"In 1936 Sproul succeeded incumbent tax collector, the late Tom Campbell, after defeating him and two others. Except for 1940, he has run and been elected unopposed ever since."

"Sproul said that last year he had given some thought to retiring but now his health 'is so much better . . . I'm giving some thought to it (making another race).'"

"Sproul is a Democrat and his statement comes at a time when Palm Beach County Republicans are reported already seeking candidates for all posts which will be on the 1964 county ballot."

## Master Water Supply For Belle Glade

Engineers have figured that it will cost at least \$435,000 to put Belle Glade's new master water supply and treatment plant into operation, and city officials have generally agreed upon the logic of the preliminary plans.

Many new families and businesses have located in the area, and they all share a community-wide interest in water for drinking, fire protection and countless other uses.

Water or the lack of it can affect insurance rates. Clean, clear water is a "must" in satisfying the demands of a growing sugar industry.

Nearby South Bay has secured its water from Belle Glade for about 15 years, and now feels obliged to build its own water system. South Bay has given Belle Glade notice to that effect in a letter requesting termination of an agreement that extends back to 1948. Bids are now out on water line pipes.

As for Belle Glade itself? Well, along in the planning stage is a new, more grandiose approach to assuring a plentiful supply of the important liquid more efficiently.

## Junior College Bus Schedule Is Here

The Bus for Palm Beach Junior College this fall will operate on the following schedule:

7:00 a. m.—Leave Canal Point School.  
7:10 a. m.—Leave Pahokee High School.  
7:35 a. m.—Leave Belle Glade High School.

Returning the bus will leave the College campus at 3:45 p. m. The bus will run for registration this week and regular classes start on Sept. 6. Carol Berryman, phone 924-2783, will be the driver.

## First Fall Meeting Canal Point PTA

The first meeting of the Canal Point Parent-Teachers Association for the current school year will be held, Monday night, September 9, at 8 p. m. in the School Cafeteria. The president, W. E. Blackwell, will preside, and faculty members will be given recognition.

## Pahokee Lions To Air Condition Hall

A chicken Bar-B-Q will be held Saturday, October 5, according to an announcement made at the luncheon meeting, Tuesday, of the Pahokee Lions Club, with the president, A. J. Gamot, presiding. The Bar-B-Q will be the first project in the drive for funds to air-condition the building.

Members approved the resolution to begin air-conditioning the club building as soon as the fund reaches \$1500.00, and with the goal of completing the installation set for May 1, 1964. A committee will be appointed to spearhead the drive.

It was announced that the annual light bulb sale will take place, this year, during the period of October 7 and 19th with the exact date being set later. Proceeds from this sale goes for sight conservation.

It was also announced that the annual Football Clinic, sponsored jointly by the Pahokee and Belle Glade Lions Clubs will be held on Lair Field, Friday September 13, at 8 p. m. Admission, this year will be free.

## Jan Plumer Goes To Stetson University

Miss Jan Plumer, daughter of Mr. and Mrs. W. S. Plumer, who had planned to remain at Pahokee High School, this year as a senior, will enroll at Stetson University, DeLand, September 15, as a college freshman. Jan took the eight-week advanced studies program there this summer, and was urged by the college officials to take up college subjects instead of resuming high school work.

## AT OKLAHOMA A&M

Mike Watkins, son of Mr. and Mrs. D. B. Watkins, and a 1963 graduate of Pahokee High School, where he was a Blue Devil football star, has enrolled as a freshman at Oklahoma A. & M., Miami, Okla. Mike holds an athletic scholarship and will play football there.

## 1095 Students Are Enrolled Sept. 3 Pahokee, Canal Pt.

An impressive increase in enrollment of the area schools was reported Wednesday, the second day of school.

Principal W. W. White of the Canal Point School reported a total enrollment of 176 in comparison to 143, as of the same date last year. By strange coincidence, the school closed with 176 students, last May. If enrollment increases in proportion to last year, the total enrollment as of May, 1964 should be around 200.

Mr. White noted that the pupils are evenly distributed throughout the grades, this year. Enrollment by grades: 1st, 2nd, 2nd, 23; 3rd, 18; 4th, 21; 5th, 23; 6th, 21; 7th, 26, and 8th, 23.

Brooks Henderson, principal of Pahokee High School, announced a total enrollment of 439 as of Wednesday, in comparison to 419 as of the first week in September, 1962. Totals in the various classes were 7th, 7th; 8th, 7th; 9th, 8th; 10th, 7th; 11th, and 12th, 70.

W. D. Howard, principal of the Pahokee Elementary School, reported a total of 480 as of September 4. By the same date last year only 429 had registered. Enrollment by grades: 1st, 100; 2nd, 72; 3rd, 81; 4th, 83; 5th, 72; and 6th, 72.

## Local Women Win Fine Arts Awards

Mrs. Pearl Santee and Mrs. Edna Barrett of Canal Point, members of the local Omicron Chapter, won honors for their art exhibits at the 32nd annual convention of National Sigma Eta Sorority Fine Arts, Inc. held at the Yankee Clipper Hotel, Fort Lauderdale in August. Mrs. Santee received first prize in ceramics and Mrs. Barrett second prize with her oil painting of a woodland scene.

The theme of the Convention was "Tropicana". Mrs. Alice Senseman of Terre Haute, Indiana, outgoing president, presided over the sessions of the first day, which included: breakfast registration; by-laws workshop; buffet luncheon and business meeting, held in the Seaview Room. The highlight of the evening was the Installation Banquet and floor show. The banquet table was beautifully decorated with sea shell arrangements from the Shell Solarium of Mrs. Floyd Galus, member of the Omicron Chapter. Program booklets were colorful in sea decorations with the heading "Fun In The Sun."

Thursday's activities included: breakfast, in the Point Room; Art Exhibit, Popular Vote, and Session No. 3, Parliamentary Procedure Workshop, also in the Point Room. A luncheon-fashion show was held from 12:00 to 1:00 o'clock in the Clipper Room. Following the business meeting, the group enjoyed a sightseeing tram-trip, swimming and shopping; and in the evening, a Jungle Queen Boat trip and Bar-B-Q in the Everglades.

Mrs. Mable R. Lutz of Belle (continued on page 8)

## U. Of South Florida Gets More Teachers

TAMPA — The addition of 65 persons to the faculty and a freshman class that will swell total enrollment to more than 4,200 will mark the opening of the University of South Florida's fourth year of classes Sept. 9.

USF's enrollment, running close to schedule toward a projected total of some 10,000 students before 1970, will be made up of approximately 3,000 persons who will commute to classes and another 1,300 who will live on campus.

New buildings opening this fall include a Fine Arts-Humanities building; Gamma Hall, a residence for 460 students; and a two-story student center. Work is also about half completed on a new classroom-laboratory building for physics and astronomy.

## Funeral Services Andy Culberson

Funeral services for Andrew Edward Culberson, Sr., 50, of 640 Bacom Point Road, Pahokee, who died unexpectedly Monday at Capac, Mich., were held Thursday afternoon at the First Baptist Church, Pahokee. Elder Van Lightsey, pastor of the Okeechobee Primitive Baptist Church, conducted the services. He was assisted by Elder O. W. Thomas, Rev. Gutherie Colvard and Rev. Reuben Barfield.

Mr. Culberson, a produce broker, was engaged in vegetable produce sales at Capac. He had been a resident of Pahokee since 1933, coming from Plant City. He was a native of Troy, Alabama, and a member of the Primitive Baptist Church.

Survivors include his widow, Pearl, Pahokee; one son, A. E. Jr., Pahokee; three daughters, Mrs. Bettie Woods, Mrs. Shirley Lowe, both of Pahokee, and Mrs. Martha Oliver, Kokomo, Ind.; his mother, Mrs. Ada Culberson, Pahokee; three brothers, W. P. Culberson, Pahokee; R. H. Culberson, Sebring, and W. E. Culberson, West Palm Beach, three sisters, Mrs. Ollie Batchelor, Pahokee; Mrs. Mamie Stamps, Opa Locka, and Mrs. Rosa Crulch, West Palm Beach, and nine grandchildren.

Active pallbearers were A. F. Raulerson, Ray Trammell, Foster Lassiter, Julian Branch, Hugh Branch and Marvin Crady, Honorary pallbearers were Ed Trammell, A. W. Harden, Roy Tomlinson, C. D. Hayden, E. F. McIlwain, C. C. Cruthird, J. H. Wilkinson, Sr., J. R. Fajik, C. E. Williams and L. M. Mays.

Interment was at Port Mayaca Cemetery with Wetherington Funeral Home in charge of arrangements.

## RETURN TO TALLAHASSEE

Mr. and Mrs. B. Elliott, Jr. and children spent last week in Pahokee visiting her parents, Mr. and Mrs. L. B. Wilson. They returned to Tallahassee Saturday, where they will reside this school year while he is attending Florida State University.

Mr. and Mrs. Will Walton and children of Clewiston were the Labor Day weekend guests of Mr. and Mrs. Ernest Lindrose, Sr.

## Sept. 9 Is The Date For PTA Meeting

The first meeting of the Pahokee Parent-Teacher Association, which meets on the second Monday of each school month, will be Monday, Sept. 9, at 8 p. m. in the high school auditorium. The program will feature the presentation of elementary and high school teachers to the audience. A social hour with the serving of refreshments will follow in the school cafeteria.

Parents in ever increasing numbers are becoming aware of their need to understand better the educational problems of their communities. In their participation in local PTA activities they seek ways in which to improve the school. This interest will do much to bring teachers and parents together to solve Democracy's crucial problem — the education of its future citizens.

Teaching is a basic need of a democracy and teachers are in the front line of its defenders. The satisfaction gained from contributing to this cause may be sensed wherever teachers exchange ideas about the young people they are trying to help educate.

The educational profession has worked in the past, and continues to do so, for self-improvement of students. Responsible parents and teachers work together for the good to all children. As members of the PTA parents learn what the schools are trying to do, and teachers learn the problems of parents.

There are over 12 million PTA members in the USA. More than four million of these are men. Each local group is a self-governing unit. Although you become a member of the National Congress of Parents and Teachers when you join PTA, it is not necessary to be either a parent or a teacher in order to become a member.

Truly, parents have a great responsibility for the future of their (Continued on Page 8)

## Gasoline Dangerous In Plastic Jugs

TALLAHASSEE—State Treasurer J. Edwin Larson has warned service station operators against selling gasoline and other highly flammable liquids in glass or plastic containers.

Larson, who also serves as state fire marshal, said Florida law requires highly flammable liquids to be sold in metal containers.

"Glass breaks and plastic disintegrates," he explained. Both can be deadly."

Chemical action between some liquids and plastic often breaks the containers, Larson explained. Long exposure to the sun will also crack some plastics.

## ENTERTAIN WITH DINNER

Mr. and Mrs. Grady Echols entertained with a dinner at their home in Canal Point, Sunday evening. Guests attending were Mr. and Mrs. Don Q. Wynn and three sons, and Mr. and Mrs. Ralph Echols, all of Naples; Mr. and Mrs. Oliver Sheppard and daughter Hazel; and Mr. and Mrs. L. D. Echols and daughter, Betty.

Thurman Wilson has taken up his duties as the new caretaker at the Canal Point School, this week.

## FLORIDA facts...

**FLORIDA'S PEBBLE PHOSPHATE...**  
INDUSTRY, WHICH NOW SUPPLIES 98% OF THE STATE'S PRODUCTION, HAD ITS START IN 1881 WHEN CAPT. J. FRANCIS LE BARON, ARMY ENGINEER, FOUND RICH DEPOSITS IN THE BED OF PEACE RIVER NEAR FORT MEADE. DREDGE MINING STARTED A FEW YEARS LATER.

**Operations  
Soon Shifted...**  
TO LANDLOCKED PHOSPHATE OF HIGHER GRADE NEAR BARTOW AND MULBERRY. MINING AND REFINING PHOSPHATE IS TODAY A STABLE, YEAR-ROUND INDUSTRY PAYING \$45 MILLION ANNUALLY TO SOME 8,000 FLORIDA RESIDENTS.

## Survey Shows Jobs Are Plentiful

Jobs are plentiful for graduates—providing they can meet the increasingly tough standards set by employers.

A United Press International spot survey of employment opportunities indicates a rosy outlook for the graduate with training or experience and a gloomy one for the unskilled.

The explosion in scientific knowledge has had a dual impact on the nation's schools and colleges—creating job opportunities for the technically trained in government and industry and a shortage of teachers of these very skills.

Simultaneously, the need for record-keeping has created a host of new white collar jobs and an acute shortage of accountants in many areas of the nation.

Starting salaries are higher—up 2 to 5 per cent in most sections of the nation.

The greater demand-and-pay-for graduate degrees has brought a still greater emphasis on post-graduate college training. California Institute of Technology found 80 per cent of its graduating seniors planned to remain in school. The University of Chicago reported 80 per cent of its bachelor degree candidates planned further study.

School placement and employment service officials in the San Francisco area noted high demand for teachers and government workers. Louisiana found that civil, mechanical and petroleum

engineers were wooed as never before. Electronics engineers and data processors, an automation era occupation almost unknown a decade ago, were widely sought in Arizona.

New England reported accountants, chemists, engineers and physicists could take their pick of jobs. Los Angeles placement experts found it all but impossible to fill the requests for mechanical, chemical, electrical and aeronautical engineers. Holders of doctor of philosophy degrees in mathematics, chemistry and engineering were asking—and getting—starting pay of up to \$1,000 a month in Texas.

Georgia Tech reported it was swamped by 10 or 20 job offers for every textile engineer it was graduating.

Accountants, mathematics, chemists and electrical and chemical engineers were most needed in New York.

Texas reported more jobs than applicants for almost every kind of engineering and accounting post. Salt Lake City, Utah, also noted a shortage of accountants and engineers. In Denver, recruiters were looking for engineers and practically every kind of teacher except those qualified in the social sciences.

### CARD OF THANKS

We wish to thank everyone for the beautiful flowers, food, prayers, and the many acts of kindness shown us following the recent loss of our loved one, A. O. Greynolds. Your thoughtfulness will always be remembered.

Nellie, L. G. and Tripp Alderman.

## Benoist Flying Boat Being Sought

TAMPA—A group of Tampa and St. Petersburg businessmen are looking for a 1914 Benoist Flying Boat. They would like to find a plane similar to the one flown by Tony Jannus in the world's first commercial flight where he piloted the Benoist between Tampa and St. Petersburg.

A committee has been formed to plan the 1964 50th anniversary of commercial aviation. Aviation figures throughout the world will be invited to participate. An invitation to be speaker at the event has been extended to President Kennedy, who has indicated he may accept.

Initial meeting in planning the celebration was held in Tampa with civic leaders of the bay area attending as well as representatives of Eastern, Delta, National, Pan American and other major airlines. Florida Development Commission personnel were also on hand to help with the planning.

Mr. and Mrs. David Unwin, their daughter, Jan, and son, Hal, spent the Labor Day weekend at Palm Beach Shores.

## RETURN TO FLORIDA STATE

Miss Janette Harrington, her father, A. R. Harrington, and Horace Scruggs motored to Tallahassee, Wednesday, where she will begin her sophomore year at Florida State University. Miss Harrington, who is active in the Wesley Foundation program there, was appointed secretary for the Florida Conference of the Methodist Student Movement at a meeting held at Lake Junaluska, N. C. during the summer.

## Senior Citizens Medical Insurance

TALLAHASSEE—State Insurance Commissioner J. Edwin Larson has announced a stepped-up program of public information to acquaint Florida's 600,000 senior citizens with the availability of medical insurance not offered before.

Larson named E. Jay Becker of Jacksonville as chief field coordinator in the 19 field offices of the commission to acquaint insurance agents and senior citizens of the availability of the new medical insurance. The cooperative program, said Larson, is Florida's answer to socialized medicine.

Mr. and Mrs. Blanchard Branch, 142½ North Barfield Highway, Pahokee, announce the birth of a 7 lb. son, Neal Wade, on August 29 at Everglades Memorial Hospital.

*"Today we need a nation of Minute Men . . . .  
citizens who regard the preservation of freedom  
as a basic purpose of their daily life . . . ."*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration  
as the 35th President of the  
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unrelenting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

**BUY U.S. SAVINGS BONDS**

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

## PERSONAL NEWS NOTES

Miss Patsy Keene, accompanied by her mother, Mrs. Leland Keene and Miss Betty Johnson of Canal Point left Wednesday for Tallahassee where she will begin her sophomore year. Mrs. Keene and Betty planned to remain there for several days before returning to Pahokee.

Robert Boe, son of Mrs. Hugo Boe, has resumed his studies at the University of Florida where he is a sophomore, this year. He was accompanied to Gainesville by his grandparents, Mr. and Mrs. C. E. Mitchell of Winter Haven.

Mr. and Mrs. Frank Rosenberg, 525 S. Barfield Highway, Pahokee, had as Sunday guests, his brother and sister-in-law, Mr. and Mrs. M. and Mrs. Ted Mates, all of Hal Rosenberg and son, Tod, and West Palm Beach.

Mr. and Mrs. Smith Tiller and daughters, Teresa and Donna, of Falls Church, Virginia, were the guests, Tuesday, of Mr. and Mrs. Ernest Lindrose, Sr.

John Cook has enrolled at The Citadel in Charleston, S. C. where classes started September 3. Roy Vandegrift, Jr. who accompanied John to Charleston, returned to his home at Port Mayaca, Wednesday.

Miss Yvonne Thompson, daughter of Councilman and Mrs. Joe E. Thompson, of Pahokee, will leave September 13 to begin her sophomore year at Stetson University, DeLand, where she will serve as freshman advisor.

John Briley, Jr., son of Rev. and Mrs. John A. Briley of Pahokee, left last week for Barnesville, Ga. where he enrolled in Gordon Military Academy.

Mr. and Mrs. Charles Adamson of Cocoa were the Labor Day weekend guests of his sister, Mrs. Mae Laflin in Pahokee.

Mrs. C. B. Stringari has returned to Canal Point after a visit with her mother in Fort Lauderdale.

Roger Hutton, son of Mr. and Mrs. Robert C. Hutton has enrolled at the University of Florida, Gainesville, for the coming year.

Miss Connie Singletary, an honor graduate of Pahokee High School, Class of 1963, left Sunday for Tallahassee where she enrolled as a freshman at FSU. Her mother, Mrs. Roy Singletary, and Miss Heather Reed who accompanied her to Tallahassee have returned to Pahokee.

The personnel of Glades Equipment Company and their wives were entertained by Mr. and Mrs. Leon Spooner with a fish fry at their home in Pahokee, Wednesday evening.

Mr. and Mrs. J. E. Cochran, Jr. of Homestead and Mrs. Sadie Barwick of Miami, were Sunday guests of Mr. and Mrs. Don Kepp in Canal Point.

Mr. and Mrs. Ernest Lindrose, Sr. were dinner guests of Mr. and Mrs. Earl Lindrose and family in Belle Glade, Saturday evening.

Johnnie Smith of Canal Point spent the Labor Day weekend at Tallahassee and Gainesville.

Mr. and Mrs. Lloyd Hundley and sons, John and Wayne; Mrs. Beulah Boe and sons, Robert and Billy, all of Pahokee, and Ricky Parker of Canal Point, spent Saturday at Salena Beach.

Mr. and Mrs. A. R. Harrington and family, and Gaudon Harrington spent the weekend at Singer Island.

Mrs. Letha B. Kepp of Waucho, spent the Labor Day holidays with her son and daughter-in-law, Mr. and Mrs. Don Kepp.

Mr. and Mrs. Horace Unwin and daughter, Julie, returned to their home in Pahokee, Monday, after spending 10 days at Palm Beach Shores. They were joined at Palm Beach Shores for the weekend by their daughter, Brenda Kay, and Miss Beckie Mackey.

Miss Cyndy Friend of Pahokee left Sunday for Atlanta where she has accepted a position. She will reside with college friends while there.

Mrs. Ellis Murphy and son, Pat, spent several days in Lakeland, recently.

Frank L. Rozelle, Jr. of Atlanta, Ga. is visiting his parents, Mr. and Mrs. F. L. Rozelle in Pahokee, this week.

Lt. Neely Johnson has returned to Moody Air Force Base, Valdosta, Ga. after spending Saturday and Sunday with his parents, Mr. and Mrs. Alex Johnson in Pahokee. Hugh Watson of the U. S. Forestry Service, Atlanta, Ga., is spending this week in Pahokee with his parents, Mr. and Mrs. R. H. Watson.

J. V. Thomas, Sr. and Robert Mackey were visitors in Lakeland, Thursday.

Harian Sears, and Dr. Charles Sears and his sons, Reid and Bruce, spent the weekend at Salerno Beach.

Mr. and Mrs. W. H. Conlick have returned to Canal Point after spending two months at Wyatt, Mo. where he participated in the produce deal as a broker.

Mr. and Mrs. Robert Zachritz and family of Miami were the weekend guests of her brothers-in-law and sisters, Mr. and Mrs. Joe E. Thompson in Pahokee, and Mr. and Mrs. Marvin Unwin in Belle Glade.

Mr. and Mrs. Alan Underwood and family of Homestead are visiting Mr. and Mrs. L. L. Maxson in Canal Point, this week.

Mr. and Mrs. Charles Maxson have returned home after spending two weeks in Mississippi where they visited her father and other relatives.

Mr. and Mrs. Charles Jones and sons of Clewiston, were guests Monday of his mother, Mrs. C. B. Jones, and his brother Alton Jones.

Miss Betty Echols of Canal Point has joined the faculty at Lake Worth High School for the coming year.

Mr. and Mrs. Glenn Powell were visitors at Fort Myers Beach over the Labor Day weekend.

Mr. and Mrs. Al Belcher have returned home after visiting relatives in Hendersonville, N. C.

Mrs. Ida Larrimore of Tallahassee is visiting friends in Pahokee, this week. Mrs. Larrimore, a former resident of Pahokee, was City Librarian for twenty years.

Miss Diane Graham was the weekend guest of Miss Linda Wilson and her parents, Mr. and Mrs. Lon Wilson in Pahokee. The Wilsons motored to Homestead, Monday, to take Miss Graham home. David Simpson of Pahokee left Thursday for Lakeland where he will begin his senior year at Florida Southern College.

Mr. and Mrs. J. V. Thomas, Jr. and daughter, Terri and Kelly, have returned home after visiting with her family, Mr. and Mrs. Joe Kelly in Fort Pierce.

Rev. and Mrs. J. R. Heller and children of Riviera Beach were the guests of Mrs. C. B. Jones and Alton Jones in Canal Point on Labor Day.

Mr. and Mrs. J. H. Bordeaux of Canal Point were the guests of Mr. and Mrs. Oscar Chastain in Thomasville, Georgia, during the Labor Day week-end.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $1\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

## Christian Science Group Of Canal Point

Mankind's dependence on the Ten Commandments will be emphasized at Christian Science services this Sunday.

Subject of the Bible Lesson is "Man," with the following Golden Text: "Blessed is the man that feareth the Lord, that delighteth greatly in his commandments" (Psalm 112:1).

Related readings from the denominational textbook will include this: "Dost thou love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind? This command includes much, even the surrender of all merely material sensation, affection, and worship" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 9).

## Methodist Pastor Talks To WSCS

Rev. John A. Briley, pastor of the First Methodist Church, Pahokee, was guest speaker at the meeting of the WSCS, Tuesday evening with the president, Mrs. R. F. Hurt, presiding. Introduced by Mrs. R. E. Simonson, he stressed the importance of missionary work by the WSCS.

Due to attending night classes at Palm Beach Junior College, Mrs. Beulah Boe turned in her resignation as secretary of the Society. The nominating committee, composed of Mrs. W. S. Plumer, chairman; Mrs. Louis Davis, Mrs. Duncan Padgett, Mrs. Jess Elliott, Mrs. Ernest Maxwell, Mrs. J. T. Boynton and Rev. Briley, were instructed to secure a replacement by the October meeting.

It was announced that a seminar for officers will be held at Stuart September 19.

## Kirk Elarbee Has Birthday Party

Mrs. Harry B. Elarbee entertained Friday at her home in Pahokee with a party for her son, Kirk, who was observing the second anniversary of his birthday. Horns and musical balloons were given as favors. The traditional birthday cake and icecream was served to the 15 little guests attending. Mrs. Elarbee was assisted by her mother, Mrs. R. T. Smith of Canal Point.

School 9:45 A. M.

## Miami Is Getting Fresh Water Fish And Boating Area

MIAMI — Miamians will soon have a major fresh water fishing and boating area less than an hour's drive from the city that will develop into an entirely new concept in Florida recreation.

Through the cooperative efforts of officials of Dade County, the State Game and Fresh Water Fish Commission and the Florida Development Commission a 15-mile stretch of the Tamiami Trail will be converted into an outdoor recreation area.

Drainage canals constructed by the Central and South Florida Flood Control District will be utilized for fishing. These canals, according to Game and Fish Commission officials, provide some of the finest fresh water fishing in the state.

Canal levees and roadways will be realigned to provide boat launching facilities and parking for fishermen. Easy access to portions of over 100,000 acres identified by the Game and Fish Commission as Conservation Management Area 3-A will now be available.

Only a limited number of sportsmen have been able to get into this area up to now, due to limited parking facilities and a long drive by automobile to find a suitable boat launching site.

## BACK TO DUKE

W. S. (Billy) Plumer, Jr., will leave Tuesday for Durham, N. C. to begin his junior year at Duke University, where he is majoring in electrical engineering. He has been selected to assist with the interviews for the R. O. T. C. Air Force during orientation week.

Mr. and Mrs. Wyatt H. Folds of Sanford were the weekend guests of Mr. and Mrs. Wendell T. Harris and family in Pahokee.

Mr. and Mrs. Danny Mullis and sons of Orlando spent the Labor Day weekend with her father, R. S. Stokes.

Mr. and Mrs. Warren Carter of Hinsdale, Ill. and Miss Mary Carter, of Joliet, Ill. spent the weekend with their parents, Mr. and Mrs. M. C. Carter at Port Mayaca.

Mr. and Mrs. Robert Weeks and children of Miami were the weekend guests of his father, J. G. Weeks in Canal Point.

Oliver Steele of Lantana was the weekend guest of Rev. and Mrs. Lawrence Stewart in Canal Point.

## Good Will Tour Thru Foreign Spots

TAMPA—A two-week goodwill tour by the Tampa Latin American Fiesta queen, four princesses and the 14-member official party which ended recently was termed a huge success.

Leon S. Cazin, executive director of the association, said the trip which covered Portugal, Puerto Rico, Spain, Italy and France was the most successful in the 28 years the association has sponsored the trips for the queen and court.

The group flew from Tampa to San Juan, Puerto Rico. Then on to Lisbon and Madrid. While in Rome, the girls were invited to an audience with the Pope at the summer retreat, at Castel Gandolfo.

## MELBOURNE VISITORS

Mr. and Mrs. Doyle Branyon of Melbourne were the weekend guests of her parents, Mr. and Mrs. W. S. Cross in Canal Point. A family dinner was held at the Cross home, Saturday evening honoring Mr. Cross who was observing the 75th anniversary of his birthday.

## Sept. 9 Is The Date—

(Continued From Page 1)  
children. It is the responsibility of the family to assist the school in achieving its purpose.

The more of us there are in PTA, the surer we can be that the voice of the PTA, spokesman for children, will be heard and heeded whenever and wherever decisions affecting the education of children are made. Membership growth is more than mere numbers — it is POWER! It is manpower and womanpower. It is moral, spiritual and intellectual power. It is power to lift our schools to new levels of excellence.

Please, won't you ask your neighbors, and your friends, if they are not members, to join PTA; and you who already are members, won't you attend meetings regular and strengthen our PTA organization?

## Local Women Win—

(Continued From Page 1)  
Glade, also of a member of Omicron Chapter, was one of the new national officers elected, being named as a director. Other new officers include Mrs. Kent Beecher, Kokomo, Ind., president; Miss Betty Goodale, Huntington, Ind., vice-president; Mrs. Ralph Heckman, Fort Wayne, Ind., recording secretary; Mrs. Ellis Hunsburger, Warkarusa, Ind., corresponding secretary; Miss Ruth Kanning, Fort Wayne, Ind., treasurer; Miss Blanche Hutto, Fort Wayne, Ind., organizer; Mrs. Wellington W. Faust, Fort Lauderdale, historian; Mrs. Adrian Scott, Columbia City, Ind., three year director; Mrs. Don Barnhart, Churubusco, Ind., two-year director; and one-year directors in addition to Mrs. Lutz are Miss Betty Tegtmeyer, Fort Wayne, Ind.; Miss Margaret Gillian, Kendalville, Ind.; Mrs. Wm. J. Long, Goshen, Ind.; Mrs. Dennis McCauley, West Hollywood; Mrs. Michael Ventura, also of West Hollywood, and Mrs. Leigh B. Freed, N. Manchester, Ind.

This convention was the first for this Sorority ever held in Florida. Those attending from this area were Mrs. Edna Barrett and Mrs. Pearl Santee, Canal Point; Mrs. William Masonic, South Bay, and Mrs. Frank L. Anderson, Belle Glade.

## Margie Cowart To Wed Neely Johnson

Mr. and Mrs. John Pilcher Cowart of Macon, Georgia, announce the engagement of their daughter, Miss Margie Claire Cowart, to Lt. William Neely Johnson, son of Mr. and Mrs. Alex Murphy Johnson of Pahokee.

Miss Cowart is a graduate of A. L. Miller High School. Following her marriage, she plans to continue her studies at Valdosta State College.

Lt. Johnson is a graduate of Pahokee High School, and Georgia Institute of Technology with a bachelor's degree in electrical engineering. He is now an Instructor Pilot stationed at Moody Air Force Base, Valdosta, Ga.

The First Baptist Church, Macon, will be the setting for the October 5th wedding.

## Patterson Circle Will Meet Monday

The Ione Patterson Circle of the Canal Point WMU will meet in the recreation building on Monday, September 9, at 2 p. m. The meeting is being held in conjunction with the Week of Prayer for State Missions. Mrs. J. L. McCall, circle chairman, will preside over the business session, and Mrs. S. A. Nail will act as hostess.

## YOUNGS ARE HOME

Dr. and Mrs. W. C. Young have returned to Port Mayaca following a trip to Tallahassee the first of the week. They were accompanied by their daughters, the Misses Katherine and Amy, who enrolled at Florida State University where Katherine begins the year as a sophomore and Amy as a freshman.

## Seat Belts Might Save Many Lives On Florida Highways

Consistent use of seat belts might have saved 500 lives on Florida highways last year, according to A. M. Pettis, safety leader with the Florida Agricultural Extension Service.

Although America owes much to the automobile, 40,000 lives are lost each year in traffic accidents. "With this staggering statistic, it is clear that improper use of the auto is becoming an epidemic of national proportions", Pettis said.

Seat belts reduce injuries by more than one third. Research indicates that you are five times more likely to be killed if you are thrown out of your car during a crash. In addition to holding you in the car, seat belts reduce the force with which you may strike the interior of your car during an accident. Seat belts also spread the force of the crash impact over a large area of your body, lowering the force at any one point.

Safety, like law, works only for the majority, and has no claim to perfection. But, seat belts have proved many times to be more ad-

vantageous than harmful. A good belt will stand 3000 or 4000 pounds pull from your body. Only about two in every 100 belts break in wrecks. In a severe crash, your belt may break, but you will land with a ton and a half less force than if you hadn't worn a belt.

## Miss Elinor Luxen Weds Harris Folds, Jr.

Miss Elinor Luxen became the bride of Wyatt Harris Folds, Jr. in a double ring ceremony, Aug. 10, at 4 p. m. at the Hope Community Church, Reform Church of America, Orlando. Rev. John H. Muller officiated at the candle-light ceremony.

The bride is the daughter of Mr. and Mrs. S. H. Luxen of Sanford, and the bridegroom is the son of Mr. and Mrs. W. H. Folds, Jr. of Sanford, former residents of Pahokee.

The bride's attendants included Miss Barbara Deal, maid of honor; Miss Nancy Joe Jensen and Miss Cathy Folds, sister of the bridegroom, bridesmaids.

Gary Folds served as his brother's best man, and ushers were Jack Stanley of Pahokee, cousin of the bridegroom; Arthur DeYoung, cousin of the bride, and Randall Chase, Jr.

The reception following the

ceremony was held in the social hall of the church.

Following a wedding trip to the Virgin Islands and San Juan, Puerto Rico, Mr. and Mrs. Folds are making their home in Tallahassee.

Mr. Folds who graduated with honors from Pahokee High School in 1959, is enrolled as a senior for the fall trimester at Florida State University. Mrs. Folds is presently employed by Eastern Air Lines.

Among the out-of-town guests attending the wedding were the bridegroom's uncle and aunt, Mr. and Mrs. Wendell Harris, and his cousins, Faye and Shirley Harris, and Mr. and Mrs. Jack Stanley, all of Pahokee; and his grandparents, Mr. and Mrs. Homer J. Clause of Lake Kerr, formerly of Pahokee.

## Bill Goodman Has Birthday Party

Mrs. J. O. Goodman entertained at her home, 331 Annona Ave., Pahokee, with a party for her son, Bill, who was observing the sixth anniversary of his birthday. Fifteen little friends of the honoree enjoyed the party which featured a "space" theme. Mrs. Leon Webster of Belle Glade assisted the hosts.

## 350 Bug Men Will Study Better Ways To Kill Insects

ST. PETERSBURG—Some 350 expert bug men will compare notes on better ways of ridding the state of insects that plague man, beast and crops at the 46th annual meeting of the Florida Entomology Society scheduled here September 11-13.

Reports on the love lives of the germ-carrying house fly, the pesky eye gnat and the blood sucking mosquito will be evaluated by University of Florida scientists, government researchers and industrial entomologists. Their object is to introduce a fatal love triangle that would spell doom to the three troublesome insects.

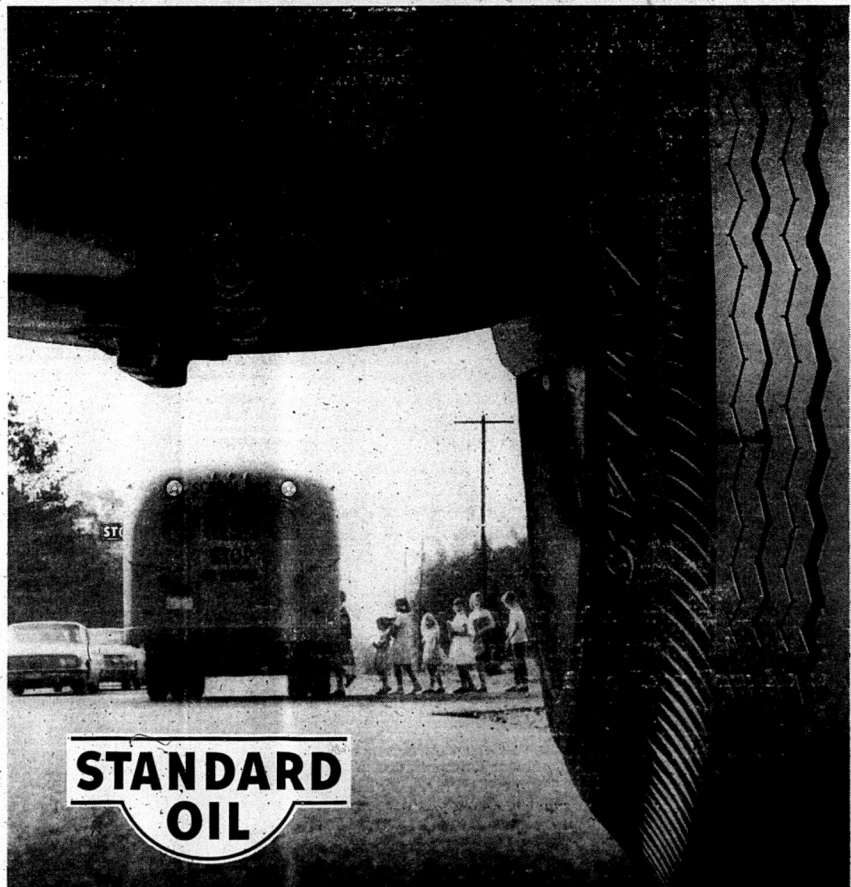

Ways of encouraging cannibal mites to devour the rust mite of citrus will be among the unique suggestions that would permit nature to fight its own battle of bugs.

Mr. and Mrs. Roy Vandegrift, Jr. plan to leave tomorrow on a 12-day trip to the Panama Canal Zone and Columbia, South America.

## When safety counts... count on ATLAS

Every mile you drive, new ATLAS Plycon Tires work to keep you safe. With 25% more working rubber on the road, you get better skid-resistance... for better steering, quicker stops. New tread de-

signs and rubber compounds produce 16% better traction... more mileage... less noise and road vibration every mile! And ATLAS gives you a choice of two quick-action guarantees: adjustment prorated on the tread remaining, or on number of months in use. See your Standard station today.
